**Grim Grasp Caused Heart Disease.**  
**Could Not Lie On Left Side.**

**Dr. Miles' Heart Cure and Nervine Cured Me.**

Mrs. H. R. Jobe, formerly of Birmingham, Ala., writes from Eldredge, the same state, as follows:

"It is with the greatest pleasure that I recommend Dr. Miles' Nervine and Heart Cure. I only wish that I could tell every sufferer how much good they have done me. Last winter I had a severe attack of La Grippe, which left my heart in a very bad condition. I could not lie down for the smothering spells that would almost overcome me and the feeling of oppression around my heart. I had not been so that I could lie on my left side for a long time. I got your Heart Cure and took three bottles. I have no trouble now with my heart and can lie on my left side as well as my right. Formerly I had suffered for years with nervous prostration. I had tried so many remedies that I had got clear out of heart of getting anything that would help me. The nerves of my heart were so affected that sometimes it would lose beats so it would seem to stop altogether. It was on the advice of a lady friend that I tried your Restorative Nervine. I felt better after the first few doses and two bottles of Nervine and one of Heart Cure made me feel like a new person. My heart is all right and my nervousness is all gone. I never fail to recommend it to others afflicted as I was."

## SAD END OF A BRILLIANT CAREER.

The sad news came to this city on Saturday afternoon that Mr. James J. Fitzgerald had passed away, at his home in Louisville, after many months of suffering.

While many of us knew that Mr. Fitzgerald was dangerously ill, we still hoped that he might recover.

But, alas, alas! Cut down in the full vigor of a sturdy and promising young manhood, just when he was needed most by his family and the State. He was a brilliant, but painstaking lawyer. Earnest, honest, upright!

We have known Mr. Fitzgerald for many years and always found him the same courageous and courteous gentleman. We admired him for his many fine qualities, both of person and character.

He leaves a young wife and three children—all girls. In addition, he leaves two brothers and two sisters. All of whom mourn an affectionate husband, father and brother.

The funeral was held in Louisville, on Monday last, and was largely attended by sorrowing friends.

## STAMPING GROUND.

Mrs. Dr. Crutenfield and son are guests of relatives in Henry county. Miss Alice Wilkerson, of Cincinnati, is the guest of Miss Helen O. Wilkerson.

Dr. W. P. Salin and wife, of Owen county, are guests of Miss Varena Bourne.

We regret to learn that our veteran merchant, Mr. A. Ford, was victimized by the pseudo agent of the Courier-Journal. He says that the old adage "a fool and his money are soon parted," applies.

Mrs. Josie Dawson and children, of Prescott, Arizona, are visiting relatives here.

Mr. Will Marston, who is cropping on Miss Bourne's farm, has sold his growing corn and tobacco to Mr. Ollie McFarland; and will move to Indianapolis, Ind., to engage in business.

Died—Near Suterville, Mrs. Adeline Riddle, wife of Mr. Sebree Riddle, aged 25 years, of puerperal fever. She was a daughter of the late Mr. Chas. Blythe. The funeral and burial took place on Sunday, at Maysville.

Announcement is made of the approaching marriage of Mr. John L. Hill and Miss Emma Wilson, daughter of Mrs. J. W. Wilson. The marriage will take place Wednesday, August 21. The groom is the oldest son of Rev. G. W. Hill.

Died—In Covington, on Tuesday, Miss Wade B. McCurdy, aged 21 years. The remains were brought here Wednesday, and the funeral and burial took place at Cedar Grove Cemetery. Elder James Clark conducted the services—he had baptized and received into the church and preached the funeral of four sisters in the family.

Mr. H. E. Hurst who lives near Elkhorn, threshed his crop of wheat

(about 400 bushels) and left it at the yard, August 1st. On Sunday, August 4, the grain was discovered to be on fire about noon. More than half of it was destroyed and the balance so damaged as to be only good for feed. The origin of the fire is unknown.

Mr. Wm. H. Settle, brother of Mr. John Settle, of this place, died in Bourbon county last week.

## RAPIDLY MATURING PLANS.

The State Board of Agriculture Announces More Details of the Kentucky State Fair to be Held in Louisville September 16-21.

The State Board of Agriculture, which recently purchased the Douglas Park Jockey Club at Louisville Fair, has not been able to close negotiations because the Title Company employed to clear the title and guarantee it has found that a part of the land bought has been dedicated to public uses, and, therefore, there may be some trouble in closing the roadways; at least there will be a delay of a few months. In the meantime, the board has asked the owners of Douglas Park to lease them the grounds for holding this year's fair with the understanding that as soon as the title is cleared the property will be taken over by the State Board. This, Mr. Cella, has declined to do, it is understood, although there is a probability of the matter being adjusted within the next day or two. The State Board is determined that it will not take over the property until the title is perfect. This may mean that the fair this year will be held at Churchill Downs, where it was held last year instead of one the home grounds of the State Fair is was hoped.

Under any circumstances, the fair is certain to be held at Louisville on the dates mentioned, and we are asked by the State Fair management to say to our readers that the plans made for the State Fair are maturing rapidly and satisfactorily, and that they can assure every Kentuckian that the fair will be the biggest ever held in the South in the way of exhibits and departments, in the way of big amusement features, in the way of music and in the way of attendance.

Ball Bros., of Woodford county, are showing their faith in their horse, Montgomery Chief, in a most substantial way. They are offering \$250 in two special premiums for best 1907 foal of Montgomery Chief and for the best foal of any age of Montgomery Chief, at the Kentucky State Fair.

## If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultants, as bronchial, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley, of Howard, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of other equally eminent in their several schools of practice.

Open publicity of its formula is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable. I will mail your free, to prove merits, sample of my Dr. Shoop's Restorative, and my book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak stomach nerves—the inside nerves—mean stomach weakness, always. And the heart, and kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free book.
